

About Equal Hair & Nails Boutique

Don't be intimidated by the high-end vibe of this salon. Despite the luxe interior, more than 400 polished from brands like Essie – Opi – Chanel – Loubitini – Butter London – Christian Dior – D&G – YSL – March Jacobs – Givenchy, and plush leather drying stations. It's basic nail and hair beauty services cost about the same as your run-of-the-mill neighborhood salon.

Settle in a high, illuminated counter for a manicure – or opt for a pedicure in our queen plush spa chair. When it comes to snazzy nail effects, primp and polish, hair to perfection EQUAL does it all. Whether you pop into see your barber, hair stylist, nail tech or makeup artist. You can stop by without an appointment for services including airbrush, makeup, henna, eyelash extension and eye brow blading or get your smile on teak by getting your teeth whitening.

Teeth Whitening Services

- (1) Making people feel good about themselves.
- (2) For special occasions, a special event such as wedding.
- (3) Job interview: A white smile will increase your confident and an excellent first impression. People want to look their very best for all important occasions.
- (4) Aging teeth: The natural aging process can cause our teeth to yellow and start to make the teeth look old and unhealthy. Its non-surgical. No surgery is required to have white teeth.
